

Steel City Mennonite Church
Mid-Week Connection
September 14, 2016

Worship Reminders: (1) Parents you are strongly encouraged to use the Cry Room at the rear of the sanctuary when your child or children become overly noisy or talkative. While being overly noisy or talkative is highly subjective, please be considerate to those who want to be fully engaged in the service. The Cry Room is equipped with chairs, sound and visibility to the stage. We love our children and want them to grow up knowing how to worship, but we also want our children to know how to be respectful of God, their parents and others. (2) If you or a family member must leave the sanctuary for non-emergency bathroom, drinks or other issues, please use a time when the walking out and in are less noticeable. When the congregation is standing is a good time to take care of these things. Thank you.
