**There are a couple of "Apps" for your smart phones and/or tablets that Pastor David would highly recommend.** **Echo Prayer:** Echo's number one goal is to help people pray. Whether it be to simply keep track of prayer requests, give space to engage with God or simply help remind people to pray, Echo is a tool to help Christ-followers engage with God. **YouVersion:** The number one Bible app. You can select any number of versions and languages to aid your Bible reading. There are also a wide variety of daily reading plans to suit your interests. **Mint:** This app is great to track your finances. Wonderfully simple yet very detailed. Take a look at mint.com. These are all free apps.
