

Today

Welcome. It is a sacred privilege to gather one with another to worship our amazing God! Our God spoke and the universe was created. Our God knew each one of us in our mother's womb and made us in His image. Our God is continually, lovingly working to make us holy as He is holy.

"Jesus did many other signs in the presence of the disciples, which are not written in this book; but these are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name." (John 20:30-31) Signs and wonders were and are designed so that people will believe Jesus is the Son of God AND have life in his name.

This weekend, Pastor David continues to examine two miracles (Feeding the 5,000 and Walking on Water) performed by Jesus in a message titled, "**Lessons from the Past**". Pastor David will draw from these stories found in the gospel of John, chapter 6.

Please check in today by filling out a Communication Card which can be found in the foyer or through our smartphone app. You can also share prayer concerns through these two options.
