## Ministry Opportunities & Events

**Sunday morning, November 12, we will be receiving our Harvest Offering 2017. The goal is \$24,600 plus 100 Operation Christmas Child shoeboxes.** This is an offering above the normal tithe. The offering will be distributed as follows:

1. **Operation Christmas Child** – Besides blessing the shoebox recipient, giving shoeboxes allows our children a hands-on experience of giving to bless another person. [100 boxes]

2. **Jo Dunbar** - She served with Jessica Bergey in YWAM. Jo has CTEPH which is a form of pulmonary hypertension which means she has blood clotting issues (specifically on her lungs which makes it hard to breathe and she will sometimes pass out just from walking around). She's constantly in and out of the hospital and as a result has significant medical bills. Jo has used avenues of crowd funding to help offset her medical expenses. (\$7,000)

3. **Zelaya family** - Rolando and Andrea with their two sons are preparing to leave the US and become mission workers in Spain. Their probable move date is January 2018. While SCMC will assist them in our 2018 budget, we want to help cover transportation and relocation expenses. (\$5,000)

4. **Pastor John Prasad (India)** - During the New Year's Eve prayer meeting, Pastor John's Royal Engfield motorcycle was stolen. A motorcycle in India is an efficient and affordable means of transportation. His "gospel motorcycle" would enable Pastor John to get into remote villages to share the gospel. (\$4,600)

5. **Bruce Rosenberg** - As the result of an accident on Wassergass Road, Bruce was left severely injured. The Rosenberg family has significant expenses not covered by insurance. (\$2,000)

6. **Stephanie Modavis** - This Lower Saucon resident, needs a second kidney transplant due to complications of her battle with lupus. (\$2,000)

7. **Filippini Family** - On December 9, 2016, Hayley passed away at the age 18 after battling a rare malignant brain tumor called pineoblastoma. This disease was aggressive and Hayley faced many operations, including a stint placed in her head after a brain surgery. Near the end of her life, her body just began shutting down. Her parents are still trying to resolve her medical expenses. Recently, Hayley's parents moved from NJ to Florida. Their home was damaged in Hurricane Irma. (\$4,000)
