

## Today

**Welcome!** What an honor it is to gather together for a time worshipping our wonderful, loving God!

Before a child is born, parents deliberate, second guess and then determine the name of their new arrival. At times, the naming process is easy as the name selected is for a parent or grandparent. Other times, the naming process can be like two nations crafting a treaty. Names are important! They become our identity.

In the sermon today, Pastor David will speak on “**Called By Name**”. The scripture text is **John 10:1-6**.

Please check in today by filling out a Communication Card which can be found in the foyer or through our smartphone app. You can also share prayer concerns through these two options.
